

Wisconsin Population Health Fellowship Program
University of Wisconsin-Madison
Resume and Statement of Interest

Resume (CV): Please submit a current resume describing your relevant work history and academic training. This should include publications, presentation and conferences attended.

Statement of Interest: Submit a statement of interest describing the academic and professional experiences that qualify you for this service-learning Fellowship. Include in this letter a description of what you would like to accomplish over the two-year term of the fellowship and how this relates to your career objectives. Describe why you are interested in the Fellowship Program and comment on your interest in working as a public health professional in Wisconsin. Statement should not exceed 1000 words.
